

CARHOF (Colorado Association of Realtors Housing Opportunity Foundation) is a 501(c)3 charitable foundation created in 1990 for the purpose of promoting safe, decent and

affordable housing for all in Colorado. **CARHOF** helps the homeless, victims of domestic violence, first-time homebuyers, families threatened with eviction or losing their homes, victims of a natural disaster and more.

American Title will be donating all the proceeds from this event to **CARHOF**. We congratulate **CARHOF** for their outstanding effort to help people's ability to achieve the American dream of home ownership. That's why **CARHOF** is the heart of the Colorado Association of REALTORS®. For more info...www.coloradorealtors.com
